introduction

Hereby we kindly present our special **Gift set Selection Guide 2022/2023** for all your **gift boxes** and **advent calendars**.

We carefully selected different kinds of wellness, fun, playful and stimulating products that will amplify the excitement that your customers will experience when opening their gifts. In this brochure you will find all sorts of packaging and formula options to create your own gift box and/or advent calendar.

As we are specialized in developing and producing products for gift boxes and advent calendars, we are happy to think together with you for more possibilities when you might have other ideas for your product. The included options are only an indication of the possibilities, as we can offer more options that may fit your brand or theme even better.

The bottles are available in more colours and in different sizes that are optimal for your gift boxes and advent calendars. We also have a wide range of formulas available that you can choose from.

All our products are also suitable to add to your regular assortment with all the options available. When you want to add a formula to your regular assortment, you can request the desired product at our sales department. We will assist you further with all the details and possible packaging options.

If you have any questions on the possibilities for your gift box and/or advent calendar, please do not hesitate to contact us and we are happy to assist you further.

Kind regards, **The Cobeco Pharma Team**

Massage oil | 50ml

A massage oil helps make massages go smoother by making the skin slippery to prevent irritation due to friction. It provides a smooth and gliding feeling and moisturizes the skin for more comfort and relaxation. Massage oils come in many different variants with different textures, fragrances and other properties such as a warming effect.

Toycleaner | 50ml

Toy cleaners provide an extra hygienic cleaning of erotic toys to secure the hygiene and durability. With a toy cleaner, it is important to make sure it will not affect and damage the material of the toy. By maintaining the quality of your erotic toys, you can continue to enjoy your erotic toys hygienically.

Roommist | 100ml

The Enhancing Roommist creates an aromatic room atmosphere that enhances your home. With just a few sprays, you can change the ambiance in the room and you will feel your mood embracing this new aromatic experience. All available fragrances are on request.

Scents are on request.

Lubricant | 50ml

An intimate lubricant provides a smooth experience during sexual intercourse by complementing the natural body moisture. Intimate lubricants have a gliding texture with a hydrating and moisturizing effect to provide more comfort. Intimate lubricants come in many different variants with different textures, fragrances and other properties such as a warming or cooling effect.

Oral love gel | 30ml

The Oral Love Gel brings a tasty and exciting experience to oral sex that makes you want to taste more. This soft and easy spreadable gel for the erogenous zone is available in two different sensual tastes: sexy and seductive 'Strawberry' and sweet 'Vanilla'.

Delay | 25ml

What to do when you experience premature ejaculation? Using the right products can help you with delaying the orgasm and help you with extending the moment. Delay products can have different textures like creams, gels and sprays. The addition of clove oil can help to increase the delaying effect of the product thanks to the extra cooling properties and provide more pleasure.

Stimulating gel | 50ml

Stimulating gel is available for women and men. The gel for women tingles the skin around the clitoris in a pleasant way with a combination of a cooling and warming sensation at the same time and helps to reduce uncomfortable friction. This gel for men gives a sensational feeling because it warms the skin of the penis and makes it tingle in a pleasant way. The natural effect of the high-quality ingredients contributes to the sensitivity of the intimate areas and ensures maximum intense pleasure.
